

Nadi Chapters Page

Nadi bundles are identified using your thumb impression or your date, time, place of birth. These were written around 1500 years back by Maharishis – Agasthya, Sivavaakiyar, Vasishtar, Kaushika, Brigu, Kaka Bujandar, Bogar, Dhanvanthri etc. Using their meditative skills and blessings of Lord, they had written the scripts to help the mankind. They had written the scripts for all the humans from the time of birth till their last breath. Even the people those who don't know their date of birth also can read nadi and get to know their date of birth. Maharishis have classified the scripts into different chapters which represents different aspects of your life and the chapter details as follows:-

Chapter 1 - Fortune

In this chapter, Maharishis are explaining about the age of upliftment in your life, characteristics, qualities and physical appearance of the native, Abilities and limitations of a native, soft skills, monetary gains, longevity, material comforts and wealth will also be explained. Chapter 2 to chapter 12 deals with different aspects of your life in a detailed manner specifically, meanwhile, First chapter deals with almost all the aspects of your life but in a generic way.

Chapter 2 - Education

Maharishi speaks about educational levels, speaking skills, Financial gains, material comforts, people who are favourable and unfavourable, lucky and unlucky directions, colours, gems, numbers of a person. Whether he/she would be able to complete their educational path or a particular course. How long a native would be able to study, what kind of course and stream can be concentrated by the native to get succeeded in their life. Possible obstacles which may stop their educational career. Sometimes, solutions are also explained by the maharishis to overcome the obstacles. Obstacles because of poor speaking skills, gains using your speaking skills, problems between your loved ones because of your improper speaking skills will also be explained.

Chapter 3 - Younger Siblings
